

Dear Ismark Kolyanovich,

Please accept my heartfelt condolences on the passing of your father. I understand you have become the burgomaster of the village of Barovia. I do worry for Treena's safety, for if your time is now preoccupied with the duties of the burgomaster, how will you find the time to keep your sister safe? Please do not hesitate to reach out to me for any assistance.

Respectfully,  
Lord Strahd von Zarovich
